ADULT & MASTERS COMPETITIONS

An Adult dancer is defined as any dancer who started Irish dancing at the age of 18 or older OR any dancer 18 or older who has not competed in at least five years in a youth competition AND has never placed in the top three in a youth Preliminary championship competition of more than five competitors. Dancers who are in the Adult categories cannot enter any competition other than Adult specified competitions. If a dancer chooses to compete in the youth/& over category after previously competing in the Adult competitions, they are required to abstain from participating in Adult competitions for a continuous period of five years.

To progress in Adult Grade levels, dancers are to follow the same progression rules as used in youth/& over categories or progress with teacher's permission.

A dancer moves into the Adult Championship level by winning 1st place in reel, slip jig, treble jig, and hornpipe in Adult Prizewinner competitions or by their teacher's permission. When a dancer begins competing in the Adult Championship level, they may not compete in Adult Grades.

Upon winning two Adult Championships, the dancer may progress on to Masters Preliminary Championship at teacher's discretion.

MASTERS COMPETITIONS

A Masters dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active.

A Masters Preliminary dancer is defined as any dancer over the age of 18 who has previously placed in the top three of a youth Preliminary championship competition of five or more competitors or an adult dancer who has won two Adult Championship competitions at a feis. Teachers may also use their discretion to move a dancer to Masters Preliminary. When a dancer begins competing in the Masters Preliminary level, they may not also compete in Adult Championship (unless a feis opts to combine competitions) nor in youth/& over competitions.

A Masters Open level dancer is defined as any dancer over the age of 18 who has previously competed in a youth/& over open championship competition or has won two Masters Preliminary competitions at a feis. Teachers may also use their discretion to move a dancer to Masters Open. When a dancer begins competing in the Masters Open Championship level, they may not also compete in Adult Championship or Masters Preliminary Championship (unless a feis opts to combine competitions), nor in youth/& over competitions.

A dancer competing in Adult or Masters may not compete in the youth/& over category. Once a dancer begins competing in Masters, they may not return to youth/& over.

ADULT/MASTERS MUSIC TEMPO and DANCE LENGTH

IN GRADE LEVEL COMPETITIONS, HARD SHOES DANCES CAN BE DONE AT EITHER TRADITIONAL SPEED OR SLOW SPEED. All grade level dances are 32 bars in length.

For Adult Championship, Masters Preliminary Championship, and Masters Open Championships, dancers will perform: 48 bars of reel or 40 bars of slip jig, 40 bars of the hornpipe or 48 bars of the treble jig. Masters Open Championships dancers will perform a Set Dance of choice for their third round. When a feis offers a third round for Adult or Masters Preliminary Championship, Adult Championship dancers will perform a traditional set dance, and Masters Preliminary will perform a Set Dance of choice.

COMBINING COMPETITIONS

Where there are fewer than five entries in either *Masters* competition (*Masters PC* or *Masters OC*) or fewer than five entries in *Adult* championship competitions at a *feis*, the *feis* may choose to run these competitions as one combined competition, and the *feis* may offer separated/disaggregated results for *Masters* and *Adult* dancers. When a *feis* opts to combine these competitions, first combine *Masters PC* and *Masters OC* competitions if either or both have fewer than five registered competitors, before combining the joint *Masters PC/OC* competition with *Adult Championship*.

PRELIMINARY CHAMPIONSHIPS

A dancer who wins 1st place in each of the Open dances (reel, slip-jig, treble jig, and hornpipe) can move into Preliminary Championships with teacher's permission. Boys and Girls will compete against each other, however if there are at least 5 boys entered, the boys will be moved into a separate competition. In cases where a Feis elects to split a competition due to a large entry, the split must be done by birth date age in the same manner as the North American Championships.

Dancers will perform 48 bars of the reel or 40 bars of the slip-jig **and** 40 bars of the hornpipe or 48 bars of the treble jig.

Preliminary Championship will be judged and scored by all 3 judges. In addition, awards will also be posted for each solo round (light and heavy round) based on the scores of one judge (different judges scores for light and heavy).

OPEN CHAMPIONSHIPS

A dancer who wins two First Place awards in one calendar year will move on to Open Championship the following year, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back Feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. Placing in a Regional or National Oireachtas does not change the status of a competitor.

Dancers will perform: 48 bars of reel or 40 bars of slip-jig, 40 bars of the hornpipe or 48 bars of the treble jig, and a Set Dance. A Feis may elect to have a recall of 50% of the competitors for the set-dance round if there are over 20 dancers in the competition.

Open Championship will be judged and scored by all 3 judges. In addition, awards will also be posted for each solo round (light, heavy, and set) based on the scores of one judge (different for each round).

When there are less than five dancers registered in a particular Open Championship age category, the boys and girls WILL be combined.

* May be combined with the next higher age group.

ADULT & MASTERS COMPETITIONS

An Adult dancer is defined as any dancer who started Irish dancing at the age of 18 or older OR any dancer 18 or older who has not competed in at least five years in a youth competition AND has never placed in the top three in a youth Preliminary championship competition of more than five competitors. Dancers who are in the Adult categories cannot enter any competition other than Adult specified competitions. If a dancer chooses to compete in the youth/& over category after previously competing in the Adult competitions, they are required to abstain from participating in Adult competitions for a continuous period of five years.

To progress in Adult Grade levels, dancers are to follow the same progression rules as used in youth/& over categories or progress with teacher's permission.

A dancer moves into the Adult Championship level by winning 1st place in reel, slip jig, treble jig, and hornpipe in Adult Prizewinner competitions or by their teacher's permission. When a dancer begins competing in the Adult Championship level, they may not compete in Adult Grades.

Upon winning two Adult Championships, the dancer may progress on to Masters Preliminary Championship at teacher's discretion.

MASTERS COMPETITIONS

A Masters dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active.

A Masters Preliminary dancer is defined as any dancer over the age of 18 who has previously placed in the top three of a youth Preliminary championship competition of five or more competitors or an adult dancer who has won two Adult Championship competitions at a feis. Teachers may also use their discretion to move a dancer to Masters Preliminary. When a dancer begins competing in the Masters Preliminary level, they may not also compete in Adult Championship (unless a feis opts to combine competitions) nor in youth/& over competitions.

A Masters Open level dancer is defined as any dancer over the age of 18 who has previously competed in a youth/& over open championship competition or has won two Masters Preliminary competitions at a feis. Teachers may also use their discretion to move a dancer to Masters Open. When a dancer begins competing in the Masters Open Championship level, they may not also compete in Adult Championship or Masters Preliminary Championship (unless a feis opts to combine competitions), nor in youth/& over competitions.

A dancer competing in Adult or Masters may not compete in the youth/& over category. Once a dancer begins competing in Masters, they may not return to youth/& over.

ADULT/MASTERS MUSIC TEMPO and DANCE LENGTH

IN GRADE LEVEL COMPETITIONS, HARD SHOES DANCES CAN BE DONE AT EITHER TRADITIONAL SPEED OR SLOW SPEED. All grade level dances are 32 bars in length.

For Adult Championship, Masters Preliminary Championship, and Masters Open Championships, dancers will perform: 48 bars of reel or 40 bars of slip jig, 40 bars of the hornpipe or 48 bars of the treble jig. Masters Open Championships dancers will perform a Set Dance of choice for their third round. When a feis offers a third round for Adult or Masters Preliminary Championship, Adult Championship dancers will perform a traditional set dance, and Masters Preliminary will perform a Set Dance of choice.

COMBINING COMPETITIONS

Where there are fewer than five entries in either Masters competition (Masters PC or Masters OC) or fewer than five entries in Adult championship competitions at a feis, the feis may choose to run these competitions as one combined competition, and the feis may offer separated/disaggregated results for Masters and Adult dancers. When a feis opts to combine these competitions, first combine Masters PC and Masters OC competitions if either or both have fewer than five registered competitors, before combining the joint Masters PC/OC competition with Adult Championship.

A teacher may exercise their discretion:

- for determination of a dancer's level in Adult or Masters categories;

- if an Adult Championship dancer does not place in two consecutive years; the dancer may then return to Adult Prizewinner;
- if a Masters Preliminary dancer does not place in two consecutive years the dancer may then move to Adult Championship;
- if a Masters Open dancer does not place in two consecutive years; the dancer may then move to Masters Preliminary Championship.

MID-AMERICA REGIONAL DANCING COMPETITION RULES

GENERAL FEIS RULES

1. In the case of all solo and team competitions in all grades, the age of a competitor on 1st January of the year in which the competition is held will determine the right of entry. For the purposes of this Rule a competitor whose birthday occurs on 1st January shall be deemed to be under the age attained on that date.
2. Competitions are open to all but those holding a TMRF, TCRG, or ADCRG designation. A feis can only accept entries from pupils of teachers registered with An Coimisiun, regardless of their domicile, and where applicable, registered with both the IDTANA and the North American region in which they reside.
3. A competitor may be disqualified for any of the following reasons:
 - a. Conduct unbecoming a lady or gentleman.
 - b. Failure to report on time to compete. (Penalty: disqualification from said event)
 - c. Falsification of age or other important facts – i.e., teaching, award winning, competing under another competitor's name or number, etc.

Penalty for (a) or (c): Competitor will be disqualified from the Feis at which the occurrence happened and from all NAFC – registered Feiseanna for a period of one year beginning at the date of the occurrence.

4. Competitions may be closed if there are no competitors at the assigned stage ready to compete when the competition is scheduled or announced. This does not pertain to a situation where competitors are involved in stage conflicts, and such conflicts will be handled by the stage monitor.
5. Steel taps or “bubble” heels on dancing shoes, display of awards, wearing of shorts or other unconventional dress is prohibited. Authentic Gaelic dress is desired. First Feis (if offered), Beginner and Advanced Beginner, aka Beginner I and II, must wear a class costume, or a skirt and blouse. All other categories are excluded from this rule. Modest attire is encouraged when a competitor is not dancing.
6. Competitor's number must be worn and visible to adjudicators when performing in all competitions, except in Championships. Use of reflective plastic number covers is discouraged.
7. Awards will be determined in proportion to the number of entries in each competition and to the degree of proficiency shown.
8. Complaints must be in writing stating names and other factual information and signed by the complainant. A \$25.00 fee must be enclosed and presented to the Feis Chairman within one hour of the occurrence. The fee will be returned if the complaint is upheld.
9. The Feis Committee and any organization affiliated with same, will not be held responsible for personal injury, property loss or damage. Destruction of Feis property or rental property will be punishable by law.

10. The Feis reserves the right to reject any entry for cause, to cancel all or part of the Feis and to limit competitor's performing time. The decision of the Feis Committee is final in all matters connected with the Feis.
11. All Feiseanna must have a process to allow parents to request that their child or children's name(s) not be listed on the posted competitor list prior to the day of the Feis.
12. Competitors must answer all questions as required by the Feis Entry committee, including teacher's name, and enclose the entry fee when mailing. Failure to do so may result in a rejected entry. Entries must be postmarked on or before the closing date or they will be subject to a late fee as determined by the Feis.
13. The status of the dancer does not change unless there are five or more dancers in a competition.
14. With the exception of First Feis, Beginner 1 and Beginner 2 (or their equivalent), photography of any kind which has the capability of capturing a dancer's image while in motion is strictly forbidden. A Feis may elect to allow in motion photography for publicity purposes, but the pictures are considered the sole property of the Feis and solely for Feis use only; these are not to be used for personal gain through commercial use or sale, and under no circumstances can they be published on any website or other areas, without the express written permission of the persons involved. Additionally, a professional photographer may be formally contracted by a Feis to capture non-motion photographs, such as portrait photography, awards ceremonies, etc. and/or in motion photography provided it is taken at a vendor station or suitable location: (a) away from the dancing stages and, (b) requested by a consenting parent, guardian, or dancer (over the age of 18).
15. No block, en Pointe, toe walking movements, stationary or moving is allowed to be performed for all ages up to and including the under 12 age group. However, after September 1 of each year an exception is made for those dancers who are 11 dancing in the under 12 age group.
16. No substance that can become airborne should be used on any dance floor in an attempt to improve traction.

GRADE LEVEL RULES

1. Solo competitors in First Feis (if offered), Beginner, Advanced Beginner, Novice or Open (Prizewinner) competitions:
 - a. Must compete in their own age group.
 - b. Must be prepared to perform two steps in each event.
 - c. Cannot change competition on the day of the Feis.

With the exception of First Feis and Beginner 1, a dancer's level is determined in each dance (Reel, Light Jig, Single Jig, Slip-Jig, Hornpipe, Treble Jig, and Traditional Set). Traditional Set Dances are limited to those dances determined by An Coimisiun Le Rince Gaelacha as traditional set dances.

2. 100 & 200 level competitions, age under 8 and below, cannot be combined with other age groups. Boys and girls may be combined in the same age groups. 100 & 200 level competitions under 9 & above may be combined a max of 3 age groups at the discretion of the feis. If the combination of 2 age groups makes a legal competition of 5 dancers, then only 2 age groups will be combined. Passed Jan 2020.
3. Combining male and female dancers in any age category is left to the discretion of each region of the IDTANA. Competitions may be combined with the next higher age group if there are less than 5 competitors entered. Competitions can only be combined up (or down) one age group.
4. Boys and girls CANNOT be combined EXCEPT according to the following:
 - a. All boys' competitions below Preliminary Championships shall be initially entered in single year age

- i. groups;
- b. If there are less than 5 entries in any one age group, combination of the competitions shall be done according to the following rules, in order of preferential application:
 - 1) Into double age groups, all boy or all girl; and
 - 2) If a double age group does not create 5 or more entries, the boys shall instead be combined into the corresponding single year girls' age group; and
 - 3) Any competitions so combined shall be run as a single competition.

The Mid-America syllabus is to contain all grade categories. A Feis Committee may combine two or three consecutive age categories in the highest of the age categories within that grade when less than five (5) competitors are entered. (IDTAMA, 1/1/17)

- 5. Each region may determine the system for moving dancers from one grade to another, as they see appropriate for their region. The syllabus is to contain all grade categories. A Feis Committee may combine two consecutive age categories into the higher of the two categories within that grade when less than five (5) competitors are entered (see Rule 2, above). Competitors have the option to remain in the same category for the remainder of the Feis year. A dancer, at the discretion of the teacher, may move into the next Grade (not Open Championships) without satisfying the requirements. However, once a dancer competes in the higher level, they can never move back to a lower category, (except as outlined in Rule 1, above).

6. Grade Levels

Beginner 1 (Beginner) Grade: A beginner is a competitor who has not yet taken a full year of Irish Dance lessons, thereby giving beginners a full year with such status. A Beginner must move into the Beginner 2/Advanced Beginner category the next year.

Beginner 2 (Advanced Beginner) Grade: An advanced beginner who wins 1st, 2nd or 3rd place will advance to the Novice category in that particular dance. Competition dances are reel, light jig, slip jig, traditional treble jig and traditional hornpipe, as a minimum requirement.

Novice Grade: A novice who wins a 1st place will advance to the Open (Prizewinner) category in that particular dance.

Open Prizewinner Grade: A competitor who does not qualify as a beginner, advanced beginner or as a novice.

Adult Beginner: An adult beginner is a competitor who never took Irish dancing lessons as a juvenile and is over 18 years of age.

- 7. First Feis (if offered), Beginner 1, and Beginner 2 are required to dance at traditional speeds. Novice and Open/Prizewinner dancers may choose between traditional and Oireachtas speeds.
- 8. All regions in North America will follow this common set of speeds for all grade competitions at feiseanna in North America (IDTANA, 1/1/17).

CHAMPIONSHIP LEVEL RULES

1. First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. A dancer who moves into open championship must stay a minimum of 2 years. If after 2 years they have not placed they are allowed to return to preliminary. An open championship dancer who places is not allowed to return to preliminary until 2 years after their last placement. The regional syllabus where the Feis is being held may have different qualifications for entry.
2. Entrants in any Championship event may not enter in any other (Grade) events, but may enter in Figure Dances. Entrants in Championships should specify, on the entry form, their choice of soft shoe, hard shoe, and set dance. Entrants cannot change competition or category on the day of the competition.
 - a. Dancers must qualify for open championship via the method now in place for preliminary championship, i.e. two 1st place wins.
 - b. Dancers must compete in the preliminary championship competition in order to qualify for open championship
 - c. The regional syllabus where the Feis is being held may have different qualifications for entry.
3. Preliminary Championships are open to those who, at any NAFC recognized Feis:
 - a. A dancer who wins 1st place in each of the Open Prizewinner dances (reel, slip-jig, treble jig, and hornpipe) can move into Preliminary Championships with teacher's permission (IDTAMA).

- b. Have never won 1st, 2nd or 3rd in Open Championship. A dancer who wins two first place awards will move on to Open Championship at the next Feis they enter, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men), and a hard shoe dance. A Feis can opt to offer either a) a set dance or b) a jig/hornpipe.
 - c. The regional syllabus where the Feis is being held may have different qualifications for entry.
4. A Mid-America region feis may choose to combine boys and girls in Open Championship competitions when there are less than 5 dancers registered in a particular age category. (IDTAMA, 1/1/17)
When there are less than five dancers registered in a particular Open Championship age category, the boys and girls WILL be combined.
 5. The boys' open championship age categories will match the girls' open championship age categories. (IDTAMA, 1/1/17)
 6. Any competitor in Preliminary or Open Championship must have a minimum of 8 rotations or 10 minutes between their rounds. (IDTAMA, 1/1/17)

ADJUDICATORS & MUSICIANS

1. Musicians and adjudicators cannot be approached during a competition by anyone except the Feis Committee. No one can approach them while a competitor is performing.
2. Musicians employed by the Feis Committee will be solely under the direction and management of the Feis Committee on Feis day.
3. In matters pertaining to adjudication, the decision of the adjudicators is final.
4. Adjudicators are to monitor the quality of music at the stage(s) to which they are assigned.
5. Championships and Preliminary Championships require at least three adjudicators.
6. Each Feis is required to list their adjudicators on their syllabus and/or website at least three weeks before the close on entries, one-third of which are to be from outside the region where the Feis is being held.

COSTUME RULES

1. Make up is prohibited on a dancer in the first three grades (First Feis (if offered), Beginner I and Beginner 2 or their equivalent) up to and including the under 12 age group. See rule: **5.2 Make-up 5.2.1:**
2. Make-up (including false eyelashes and tanner on the face) is not permitted for dancers, in either solo or team competitions, up to and including the Under 10 age group. Clarification: Both make up rules refer to the age group of the competition, not the actual age of the dancer. For example, 9 year old dancers, competing in a team that is entered Under 12, may wear make-up or at a feis where the youngest Open Championship age group is Under11, then all dancers in that competition may wear make-up. See rule: **5.2.2: Make-up**
3. Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed aids (proof of which may be required) will be exempt from this rule.

4. Competitors in girl's competitions at the First Feis (if offered), Beginner 1 and Beginner 2 Grade will wear only the competitor's dancing school costume or a skirt and blouse.
5. **MODESTY RULE- Changing costumes, dressing and undressing of dancers will not be acceptable in the halls or public areas. For the sake of modesty and in the interests of safety of young people, dancers will not be permitted to walk around the feis scantily dressed.**
