

We are proud to present...

The 1st Annual

Kelly Hendry Feis

February 11th & 12th 2017

'The Lancastrian Suite'

Lancaster Road, Gateshead, NE11 9JR

Hi everyone,

We are beyond excited to welcome you to our very first 'Kelly Hendry Feis' next Year. With the feis taking place only a matter of days before the prestigious 'All Scotland Championships' (February 16th-19th), we anticipate the standard of dancing (and the craic) to be amazing!

We will have our full syllabus with you very soon, however, at this early stage we thought it might be helpful, especially for overseas schools, to provide you with airport, venue & hotel information, so travel and accommodation arrangements can be made early to keep costs down.

We would also like to offer overseas schools the use of our dance studio on the Monday, Tuesday & Wednesday before the All Scotland's for those wanting to fit some practise in between the two feis'. We have 2 full size studios, (5 minutes drive from the venue) which will be available from 9am-3pm from the 13th-15th for overseas schools.

Teachers can email Kelly if you require studio time and we'll draw up a Rota depending on how many schools take us up on this offer. There will be no charge for studio use as it will be our pleasure to host you, however, a registered TCRG must be present.

We hope you can join us next year as we endeavor to make our first feis one to remember. Until then, and on behalf of the 'Kelly Hendry School' team and myself, we are very much looking forward to welcoming you to our fine city next year.

Kindest Regards,

Kelly Hendry APCRG
