## FEIS GRADES

**BunGrade:** Confined to competitors who have never previously won first place for the dance specified in any grade, in any age group. Dancers must perform basic material only.

**Tus Grade:** Confined to competitors who have never previously won first place for the dance specified in any grade, except bun grade. Material can be more advanced than bun grade but should exclude clicks, twists, swivels, cross keys, rocks etc.

**Primary Grade (Munster specific):** Confined to competitors who have never previously won first place for the dance specified, other than Bun or Tus Grade. The same material as Mean or Ard Grad is acceptable. Solo costumes can be worn. Once a dancer wins a dance in Primary grade, they are no longer eligible to enter that dance in that grade again.

**Mean Grade:** Confined to competitors who have never previously won first place under the upper age-limit specified for the competition (or under a higher age-limit) other than Bun grad and Tus grad. The same level of material can be performed for Mean grad as Ard Grad.

**Ard Grade:** Where a dancer has won first prize and thereafter fails to win a prize for that particular dance, the teacher of that dancer may, when a period of two years has elapsed, apply to the regional council to have the dancer re-graded as a mean grad dancer.

**Craobh Comortas/Championship:** This is an ard grade competition and is judged by at least 3 Adjudicators. Competitions, in the case of a step dancing competition are required to perform at least two dances, one of which must be a "heavy dance and the other a light dance.

**PriomhComortas:** PriomhComortas is judged by one adjudicator. There are two dances to be performed by each competitor. When a dancer wins First place in a PriomhComortas competition, they are deemed to have won both dances in that competition, even if they are not awarded first place when individual round results are awarded
