 - (c) The regional syllabus where the Feis is being held may have different qualifications for entry.
14. Combining male and female dancers in any age category is left to the discretion of each region of the IDTANA. Competitions may be combined with the next higher age group if there are less than 5 competitors entered. Competitions can only be combined up (or down) one age group.
15. Boys and girls CANNOT be combined EXCEPT according to the following:
 - (a) All boys competitions below Preliminary Championships shall be initially entered in single year age groups;
 - (b) If there are less than 5 entries in any one age group, combination of the competitions shall be done according to the following rules, in order of preferential application:
 - (1) Into double age groups, all boy or all girl; and
 - (2) If a double age group does not create 5 or more entries, the boys shall instead be combined into the corresponding single year girls' age group; and
 - (3) Any competitions so combined shall be run as a single competition.
16. Preliminary Championships are open to those who, at any NAFC recognized Feis:
 - (a) Have won 1st place in both an open/prizewinner light and heavy shoe competition, and
 - (b) Have never won 1st, 2nd or 3rd in Open Championship. A dancer who wins two first place awards will move on to Open Championship at the next Feis they enter, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back Feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men), and a hard shoe dance. A Feis can opt to offer either a) a set dance or b) a jig/hornpipe.
 - (c) The regional syllabus where the Feis is being held may have different qualifications for entry.
17. Championships and Preliminary Championships require at least three adjudicators.
18. First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. A dancer who moves into open championship must stay a minimum of 2 years. If after 2 years they have not placed they are allowed to return to preliminary. An open championship dancer who places is not allowed to return to preliminary until 2 years after their last placement. The regional syllabus where the Feis is being held may have different qualifications for entry.
19. The status of the dancer does not change unless there are five or more dancers in a competition.
20. Each region may determine the system for moving dancers from one grade to another, as they see appropriate for their region. The syllabus is to contain all grade categories. A Feis Committee may combine two consecutive age categories into the higher of the two categories within that grade when less than five (5) competitors are entered. (See Rule 14, above). Competitors have the option to remain in the same category for the remainder of the Feis year. A dancer, at the discretion of the teacher, may move into the next Grade (not Open Championships) without satisfying the requirements. However, once a

Additionally, a professional photographer may be formally contracted by a Feis to capture non-motion photographs, such as portrait photography, awards ceremonies, etc. and/or in motion photography provided it is taken at a vendor station or suitable location: (a) away from the dancing stages and, (b) requested by a consenting parent, guardian, or dancer (over the age of 18).
30. No block, en Pointe, toe walking movements, stationary or moving is allowed to be performed for all ages up to and including the under 12 age group. However, after September 1 of each year an exception is made for those dancers who are 11 dancing in the under 12 age group.
