Placing in a Regional or National Oireachtas does not change the status of a competitor. A dancer who moves into open championship must stay a minimum of 2 years. If after 2 years they have not placed they are allowed to return to preliminary. An open championship dancer who places is not allowed to return to preliminary until 2 years after their last placement. The regional syllabus where the Feis is being held may have different qualifications for entry.
2. Entrants in any Championship event may not enter in any other (Grade) events, but may enter in Figure Dances. Entrants in Championships should specify, on the entry form, their choice of soft shoe, hard shoe, and set dance. Entrants cannot change competition or category on the day of the competition.
 - a. Dancers must qualify for open championship via the method now in place for preliminary championship, i.e. two 1st place wins.
 - b. Dancers must compete in the preliminary championship competition in order to qualify for open championship
 - c. The regional syllabus where the Feis is being held may have different qualifications for entry.
3. Preliminary Championships are open to those who, at any NAFC recognized Feis:

A dancer who wins two first place awards will move on to Open Championship at the next Feis they enter, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men), and a hard shoe dance. A Feis can opt to offer either a) a set dance or b) a jig/hornpipe.
4. A Mid-America region feis may choose to combine boys and girls in Open Championship competitions when there are less than 5 dancers registered in a particular age category.

 6. The boys' open championship age categories will match the girls' open championship age categories.

COSTUME RULES

1. Make up is prohibited on a dancer in the first three grades (First Feis (if offered), Beginner I and Beginner 2 or their equivalent) up to and including the under 12 age group. Make-up (including false eyelashes and tanner on the face) is not permitted for dancers, in either solo or team competitions, up to and including the Under 10 age group.

Clarification: Both make up rules refer to the age group of the competition, not the actual age of the dancers. For example, 9-year-old dancers, competing in a team that is entered Under 12, may wear make-up or at a feis where the youngest open championship age group is Under 11, then all dancers in the competition may wear make-up. These rules must also be announced from side stage at the event. Participants should be reminded that should they be in breach of these rules and be required to remove their make-up, that they risk missing their rotation in the competition

2. Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed aids (proof of which may be required) will be exempt from this rule.
3. Competitors in girl's competitions at the First Feis (if offered), Beginner I and Beginner 2 Grade will wear only the competitor's dancing school costume or a skirt/pants and top.

MODESTY RULES

From An Coimisiun (CLRG)

Changing costumes, dressing and undressing of dancers will not be acceptable in the halls or public areas. For the sake of modesty and in the interests of safety of young people, dancers will not be permitted to walk around the feis scantily dressed.

Respect for fellow competitors on stage is a requirement at all times

Lack of respect or courtesy for fellow competitors by aggressive dancing on stage will be subject to penalty at the discretion of each individual adjudicator.

Length of costumes must adhere to principles of modesty and enable dancers to safely execute their movements and steps. Adjudicators who determine a costume to be too short or to lack modesty may ask a competitor to change into black tights (of a denier not less than 70 per cent) in order for the dancer to continue in the competition. For competitions adjudicated by a panel of more than one adjudicator, all adjudicators on the panel must agree to ask the dancer to wear tights. Effective March 1, 2022

Appropriate undergarments covering the midriff must be worn. Undergarments must provide full coverage. Dancers wearing undergarments that do not cover the areas of the body as in the illustrated example will be asked to out on black tights of a denier of not less than 70%. This is monitored by the adjudicators. For competitions adjudicated by a panel of more than one

adjudicator all adjudicators on the panel must agree to ask the dancer to put on tights. Effective March 1, 2022

This Feis will NOT give any refunds for any reason including consequences for violations of these rules

Preliminary Championships

A dancer who wins 1st place in each of the Prizewinner dances (reel, slip jig, treble jig, and hornpipe) can move into Preliminary Championships with teacher's permission. Boys and Girls will compete against each other, however if there are at least 5 boys entered, the boys will be moved into a separate competition. In cases where a Feis elects to split a competition due to a large entry, the split must be done by birth date age in the same manner as the North American Championships.

Dancers will perform 48 bars of the reel or 40 bars of the slip-jig and 40 bars of the hornpipe or 48 bars of the treble jig.

Preliminary Championship will be judged and scored by all 3 judges. In addition, awards will also be posted for each solo round (light and heavy round) based on the scores of one judge (different judges scores for light and heavy).

Open Championships

A dancer who wins two First Place awards in one calendar year will move on to Open Championship the following year, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back Feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. Placing in a Regional or National Oireachtas does not change the status of a competitor. Dancers will perform 48 bars of the reel or 40 bars of the slip-jig and 40 bars of the hornpipe or 48 bars of the treble jig, and a Set Dance. A Feis may elect to have a recall of 50% of the competitors for the set dance round if there are over 20 dancers in the competition.

Open Championship will be judged and scored by all 3 judges. In addition, awards will also be posted for each solo round (light, heavy, and set) based on the scores of one judge (different for each round).

May be combined with next higher age group. Competitions will be combined in groups of 5 when possible, per rules (see Championship rules below.) Boys will NOT be combined with girls if needed.

Championship dancer that does not place in two consecutive years may return to Preliminary Championships, the same as a Preliminary dancer who does not place can return to Prizewinner.
