Rules and Directives for Solo Dancing

1. The required dances for each championship are set out on page 8-9, page 17 for Adults
2. A competitor's age will be determined as of 1/1/2022. When a dancer's birth date falls on this date, he/she will be considered under the attained age. (i.e. if a dancer turns 12 on 1/1 of a specific year, he/she will dance u12 all year) All solo competitors must compete in their own age group. Competitors who are eligible to dance under 12 or older from 1/1/2022 are permitted to do block/en-pointe work. Competitors in younger age groups are not permitted to dance such movements.
3. Competitors will dance for 48 bars in the reel and jig and 40 bars in the slip jig and hornpipe after an 8-bar introduction. Competitors beginning to dance before or after the stipulated 8 bar introduction will automatically receive ZERO marks from all adjudicators for that round.
4. Championships will commence with the hard shoe round followed by the soft shoe round. Dancers that are in the recall will then dance a set dance as their third round. Dances will be as stipulated in this syllabus.
5. In all competitions, only recalled competitors will perform their set-dances.
6. In competitions with less than 30 dancers, all will be recalled for the set dance round.
7. A dancer who checks in for his or her competition and misses his or her rotation will not be allowed to dance out of order. He or she will be awarded a zero for that round and will not be allowed to recall, regardless of the score from the dancer's other round.
8. Completion of the round is at the discretion of the adjudicators [Per IDTANA Rule passed July 2009]
9. Prior to the commencement of the recall round of each championship, competitors will submit the name and metronomic speed of the open set dance nominated by them. All set dances nominated must be on the list given on page 10 of this syllabus. In the open set dance round a competitor may choose his/her starting position.
10. (a) The onus of ensuring that the stage steward is informed of the correct name and metronomic speed of the nominated open set dance will rest with the competitor.

(b) An incorrect metronomic speed submitted for an open set dance can only be changed prior to the commencement of the open set dance round.

(c) Introductions to open set dances will be played only once and no alteration in that speed of music will be permitted.

(d) Should a competitor commence dancing to an incorrect metronomic speed submitted to the stage steward, then that competitor must continue to dance at that speed as no further opportunity of tempo change will be afforded.

(e) Competitors beginning to dance before or after the stipulated set dance introduction will automatically receive ZERO marks from all adjudicators for that round.

11. Any competitor who does not complete the first 2 rounds of competition cannot be recalled to dance in the third round. [Per IDTANA Rule Passed 2009]

12. (a) If a competitor fails to check in and the first set of dancers have commenced dancing, that competitor will be disqualified and not allowed to dance.

(b) If a competitor fails to dance the 1st round of a championship, that competitor will be allowed to dance the 2nd round as a courtesy but will receive ZERO marks from all adjudicators for that round and will not be allowed to appear in the open set dance round regardless of the score from the dancer's other round.

(c) If a competitor fails to dance the 2nd round of a championship, no courtesy will be extended and that competitor will receive ZERO marks from all adjudicators for that round and will not be allowed to appear in the open set dance round regardless of the score from the dancer's other round.

- Championships will commence with the hard shoe round followed by the soft shoe round. Dancers that are in the recall will then dance a Traditional set dance as their third round.
- Only recalled competitors will perform their set-dances.
- In competitions with less than 30 dancers, all will be recalled for the set-danceround.
- A dancer who checks in for his or her competition and misses his or her rotation will not be allowed to dance out of order. He or she will be awarded a zero for that round and will not be allowed to recall, regardless of the score from the dancer’s other round.
- Completion of the round is at the discretion of the adjudicators **[Per IDTANA Rule passed July 2009]**
- Prior to the commencement of the recall round of each championship, competitors will submit the name of the trad set dance nominated by them. All set dances nominated must be on the list given on page 10 of this syllabus.
- (a) The onus of ensuring that the stage steward is informed of the correct name of the nominated trad set dance will rest with the competitor.
(b) Competitors beginning to dance before or after the stipulated set dance introduction will automatically receive ZERO marks from all adjudicators for that round.
- Any competitor who does not complete the first 2 rounds of competition cannot be recalled to dance in the third round. [Per IDTANA Rule Passed 2009]

(d) A competitor who fails to dance or complete the trad set dance round will receive ZERO marks from all adjudicators for that round.

16. All dancers in the recall round will dance one at a time. Sets and speeds are stipulated in this syllabus.

Order of Dancing and Mishaps

Check In: Stagehands will begin to check in dancers approximately 60 minutes before the scheduled commencement of the competition. A dancer must check in at least 15 minutes prior to the schedule start of the competition.

Rotations: The draw for starting numbers will be done randomly by computer and posted. The starting number for Round 2 will be 1/3 of the competition added to the first round's starting number. The starting number for Round 3 will be 1/3 of the competition added to the second round starting number. Dancers must follow the rotation as listed in the official program.

Mishaps:

- (a) Should a dancer lose a heel or a complete shoe, he/she may stand back – allowing the other dancer(s) to continue dancing uninhibited. In such a case, the dancer concerned will be permitted to re-dance without penalty as soon as it is deemed practical by the stage steward. Keep in mind they must, at least wait 5 rotations.
- (b) Should a dancer fall on stage, whether in solos or in teams, the adjudicator MUST ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator. If a dancer falls during the last 8 bars of any performance, then he/she would only be required to dance the last 16 bars of that dance again at a time convenient to both dancer and stage stewards. Where feasible, dancers will be brought back no sooner than five rotations.
- (c) Should a dancer slip, bump into another dancer or have a costume malfunction whether in solos or in team, the bell will be rung at the discretion of the adjudicators to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator. Where feasible, dancers will be brought back no sooner than five rotations.
- (d) Should in the opinion of the stage steward, having obtained medical advice if necessary, a dancer be unfit to re-dance and if such dancer insists on his/her right to do so then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating IDTANA and the Mid-Atlantic Region of liability for any consequences. Any repeat accident/incident which results in that dancer being unable to complete the required number of bars of any round, will result in the dancer withdrawing without question from the championship.
- (e) A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator. A dancer who dismisses themselves from the stage without the permission of adjudicators will not be marked for that particular dance.
- (f) If at any point during a performance on stage an adjudicator feels that due to the health and safety of a performer on stage that the performance should be stopped the adjudicator must ring the bell.
- (g) If a dancer falls and recovers, that dancer may still place in the top three of the final result.
