### **SOLO OPEN CHAMPIONSHIPS RULES AND DIRECTIVES**

1) The required age eligibility and dances for each solo championship are set out in Appendix A.

2) In all championships (excepting Championship 1) competitors will dance the heavy dance first. In the case of the 6 Years and Under section the order of dancing will be Light Jig, Single Jig, Reel (2023 AIDA Inc. Convention).

3) **Adult Mixed Open Championships Eligibility** – An Irish Dancer aged 18 years or over who no longer wants to compete in the mainstream Ladies/Men sections and hasn't competed in any competition other than an adult section in the previous 5 years.

a) An Adult Irish Dancer who has competed in non-adult sections in the previous 5 years due to the lack of availability of adult sections, may apply via their teachers, to their State Branch, for the 5-year stipulation to be waived. These dancers however must not have placed in the top 50% of a non-adult championship section (including online competitions) where the section contained more than 5 competitors. Applications need to be submitted at time of entry.

4) Dancers will dance 48 bars in the Reel and Heavy Jig, 40 bars in the Slip Jig and Hornpipe, with the exception of

a) the 6 and Under Mixed Championship where dancers will dance 48 bars of a light jig (116), a single jig (124), and a reel (113, 116 or 122)

b) the Sub Minor Championships, where competitors will dance 32 bars of the Heavy Jig, 48 bars of the Reel, and a Traditional Set Dance comprising first step and right foot of the Set.

c) the Adult Mixed Championship, where competitors will dance 32 bars of the Heavy Jig or Hornpipe, either 48 bars of the Reel or 40 Bars of the Slip Jig, and a Traditional Set Dance comprising first step and right foot of the Set.

5) In the 6 & Under Mixed Championship there will be a choice of speed for the reel in either 113, 116 or 122. Those dancers presenting to the marshalling area will need to advise the speed for their reel. Competitors will dance the Light Jig and Single Jig for their first two rounds. The third round for the Reel will be danced in numerical order in groups of the same speed commencing with the speed relevant to the starting number followed by the speed relevant to the next closest number to the starting number and continuing in like manner until all three reel speeds have been danced. (2024 AIDA Inc. Convention)

**For example:** 101, 102, 104, 106, 109 and 110 are dancing Reel speed 113. 103, 105 and 107 are dancing Reel speed 122. 108 is dancing Reel speed 116.

6) Dancers aged 6 & under may enter EITHER the 6 and Under Mixed Championship OR the Sub-Minor 7 years and Under sections. They are permitted to enter into a Príomh Comórtas Championships.

7) In all competitions, competitors must commence their dance in the first two rounds from the designated starting points. In the set dance round a competitor may choose his/her starting point.

8) When the first two dances in a championship have been completed the official points system will be used to place the competitors in order of merit over the two dances. On this basis, and subject to the minimum competitor requirements, a limited number of competitors will be recalled for the set dance round. A dancer who fails to complete one of the dances of the first two rounds will not appear in the recall round.

9) In all competitions only recalled competitors will perform their set dance. In the case where there are 20 or fewer competitors that perform in any section, all dancers will be recalled to perform their set dance. In the 6 & Under Mixed Championship, and the 7 & 8 Years Championships, all competitors will dance their three dances. There will be no recall.

*a) Due to withdrawals on the day, if 20 or fewer competitors perform in a section they are automatically recalled at the AIO or Nationals. The original prize giving stays the same and the remaining dancers will receive a championship award. (AIDA Convention 2023)*

10) A set dance list is no longer required and dancers who recall are responsible for advising the MC the name and speed of their set dance, from the 9 years age group and up. All set dances must be from the official list contained in this syllabus and be performed within the specified speeds (Appendix C).

11) The onus of ensuring that the stage personnel are informed of the correct metronome speed, and the correct title of the set dance, will rest with the dancer who should advise these details at the time of registration for the recall round.

12) In the case of set dances, introductions will be played only once. No variation of the speed of the music will be permitted once dancing is due to commence. Should a dancer submit an incorrect metronomic speed to the stage personnel and commence dancing at that speed, the dancer must continue to dance as no further opportunity of tempo will be allowed.

13) Speed for Traditional Set Dances is as per list – Appendix A.

14) Where the final round of a Championship is a Traditional Set dance that round will be danced in numerical order in groups of same Traditional Set Dance commencing with the Traditional Set Dance relevant to the starting number followed by the Traditional Set Dance relevant to the next closest number to the starting number and continuing on in like manner until all Traditional Sets have been danced. (2024 AIDA Inc. Convention)

**For example:** 101, 102, 104, 106, 109 and 110 are dancing St. Patrick's Day. 103, 105 and 107 are dancing Blackbird. 108 is dancing Job of Journeywork.

The stage order would be:
