## ELIGIBILITY

### FOR ONLINE FEIS ONLY

- This Online Feis is for data collection purposes only
- Placements at the Online Feis do not allow for progression between levels. Regardless of how an 18+ year old dancer competes at a feis or Oireachtas, they are permitted to participate in the Online Feis without effecting their status. For example, a dancer who competes in Senior Ladies who is contemplating a permanent shift to Advanced (once operative in IDTANA or her region) may participate in the Online Feis without losing her status as a Senior Ladies dancer. To make the actual shift to Advanced, she would need to follow established rules of her region or IDTANA.
- This Online Feis is for data collection purposes only and does not change an individual's competitive status.

### ADULT GRADE LEVEL & CHAMPIONSHIP COMPETITIONS

- For the purposes of this Online Feis and data collection, an Advanced dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active.
- An Advanced Preliminary dancer is defined as any dancer over the age of 18 who has previously placed in the top three of a youth Preliminary championship competition of five or more competitors. Teachers may also use their discretion to move a dancer to Advanced Preliminary.
- An Advanced Open level dancer is defined as any dancer over the age of 18 who has previously competed in a youth/& over open championship competition. Teachers may also use their discretion to move a dancer to Advanced Open.
