

Celtic Junction Winter Feis - 2023

We're very excited to welcome you to the Celtic Junction for the Celtic Junction Winter Feis. Please read the following information to make sure everyone has the most enjoyable experience.

If your questions are not answered here, feel free to email us [idpafeisinfo@gmail.com](mailto:mdpafeisinfo@gmail.com)

Thanks- Feis Chairs

1. **Please leave all garment bags or extra supply bags in your car.** A simple dance bag is fine to bring into the venue.

The venue is small and there is not extra room for dress bags or "Zuca" type bags in the stage room. Especially on Sunday, seating will be cozy. Any bags left sitting on chairs that cannot immediately be claimed by the owner will be moved to the concession stand to be picked up.

2. **BLACKOUT ATTIRE-** "Blackout" attire is requested to reduce the need for extra dress bags or supplies. Actual color does not matter for costumes or accessories. Bling will not be regulated.
3. **Competition Number Reminders for Grades-** Due to the small size of the feis, many competitions had to be combined in order to create competitions with at least 5 competitors for all attendees. This may result in some unfamiliar looking competition numbers. To find the official competition number, look at your dancer's registration on Feisworx, on the left will be the competition number. After the dance name it says the competition type. If you are concerned about the competition number, please look for one of three things:
 - a. **U#-** a competition that starts with a U and is followed by a number is the most common and includes only dancers under the age of the numbered competition.
 - b. **O#-** a competition labeled as O followed by a number means all of the dancers are over that age.
 - c. **ANY-** if you have a young dancer and the number is much higher than you would otherwise expect, the competition has probably been combined to include all dancers of ANY age that registered for that dance. For example, competition 314SJ was combined to include all girls of ANY age who registered because dividing it by a U and an O comp would have resulted in one of the groups having fewer than 5 competitors.
4. **Sunday Grades Schedule Split**

In order to not have the venue be over-loaded on Sunday we split the schedule to allow some dancers to complete their competitions and be able to leave the venue. Novice and Prizewinner competitions will absolutely not begin before the time listed on the schedule.

We understand that there are some dancers who are in both Beginner 2 and Novice competitions and they will have to stay for both portions of the day. We thank you for understanding the necessity of this choice. Please read the schedule carefully and plan accordingly so you and your dancer can be comfortable. Some dancers may end up dancing hard shoe before they dance soft shoe. If all goes smoothly, dancing should still be completed at a reasonable time, even if a dancer has to stay for both portions of the day.
