

## Celtic Junction Winter Feis – 2024

- Competitions absolutely will not start before their scheduled time. Due to limited capacity, we ask that if you/your child is not dancing in the current time block, you do not take up space in the competition studio.
- First Feis awards ceremony will take place on the stage immediately following the 208SJ competition.
- BLACKOUT ATTIRE- “Blackout” attire is requested to reduce the need for extra dress bags or supplies. Bling will not be regulated.
- Please check FeisWorx and the back of the dancer numbers for your/your child's competition groups. Because this is a small feis, many comps were combined to get to 5 per group. This may mean that your child is dancing up one or more age groups. If you have any questions, please ask at the registration desk for clarification/explanation.
- Grades results will be posted at [www.idpamn.org](http://www.idpamn.org)
- Thank you for your patience with the schedule. We are intentionally running it slower than usual to give dancers and parents more space. We do understand some of you will be dancing in more than one "time slot", and may end up doing some hard shoe dances before your soft shoe dances. We split into small groups to avoid overcrowding, and think that even with wait times you will have a more pleasant experience with fewer people jammed into the competition space. We will have a list of fast/fast casual restaurants in the area on [www.idpamn.org](http://www.idpamn.org) for those of you staying over the lunch break.
