2025 BRITISH NATIONAL CHAMPIONSHIPS - RULES OF THE COMPETITION

- 1 A dancer's age group will be determined as from 1st January 2025.
- 2 Entries will only be accepted from dancing teachers registered with An Coimisiún Le Rinci Gaelacha for the year 2024/2025 only.
- 3 The adjudicators' decision is final. Only members of the NW Teachers Association and those officially assisting them in the running of the championships may approach the adjudicators during competitions.
- 4 Complaints will only be accepted from registered teachers, in writing, and must be accompanied by a fee of £50.00, which may be refunded if the North West Teachers Association upholds said objection.
- 5 Teachers are advised that all details required on the entry forms must be completed. Entry forms received in contravention of this rule will be returned.
- 6 All competitors must be ready to dance 30 minutes prior to the published time. They must also report to the stage stewards promptly and dance in the prescribed order. Failure to report in time to dance in order will lead to disqualification. Competitors are strongly advised to check the timetable for last-minute changes to times or halls, both leading up to the event and on the day of competition.
- 7 In all rounds, the minimum speeds of music as laid down by An Coimisiún will apply.
- 8 *The recall in solo championships will be as follows –*
Under 6, 7, 8 & 9 – 100% Recall
From Under 10 upwards there will be a 100% Recall.
- 9 The onus of ensuring that the stage steward is informed of the correct name and metronomic speed of the nominated open set dance will rest with the competitor.

An incorrect metronomic speed submitted for an open set dance can only be changed prior to the commencement of the open set dance round.

Introduction to open set dances will be played only once and no alteration in that speed of music will be permitted.

Should a competitor commence dancing to an incorrect metronomic speed submitted to the stage steward then that competitor must continue to dance at that speed as no further opportunity of tempo change will be afforded.
- 10 In the event of a mishap on stage, e.g. a heel or shoe coming off, the dancer should retire to the back of the stage and remain there, allowing the other dancer(s) to continue with their performance. If a dancer fails to comply with this direction and leaves the stage, then he/she will be deemed to have failed to complete the round and will be eliminated from the championship.
- 11 Should a dancer fall, and the stage situation be that he/she inhibits the performance or safety of other dancers on stage, the bell must be rung, and the group will be permitted to dance again. If a dancer falls during the last 8 bars of their dance, they will re-dance the last 16 Bars. Otherwise the FULL dance will be re-danced.
- 12 If a competitor sustains injury or illness during the course of a competition, and the organisers have reason to believe that such an illness or injury could be exacerbated by continued participation, he/she will be advised to retire from the competition. If this advice is ignored, then prior to continuation, the dancer (or in the case of a child or young person (5 to 17 years) an appropriate adult) will be required to sign a disclaimer form, which will be retained in the event of a possible future enquiry.
- 13 Any competitors found to be using artificial carriage aids will be requested to remove same. In the case of refusal, disqualification will follow. In the case of medical apparatus, this will be permitted upon the production of a letter from a medical practitioner or other documentary evidence in support, to prove authenticity and the requirement for the aid to be used or worn.

2025 BRITISH NATIONAL CHAMPIONSHIPS - RULES OF THE COMPETITION

- 14 Any form of unauthorised photography which has the capability of capturing a dancer's image whilst in motion, using electronic or manual means, e.g. mobile phone, standard camera, video camcorder, cine recorder, commercial film, with or without flash enhancement, is expressly forbidden during competitions. Photographs taken at awards ceremonies are permitted. However, these must be for your own use, and not for public display purposes unless permission has been obtained
- 15 The rules of CLRG as regards standards of dress must be adhered to in public areas of the venue; discretion must be exerted when dancers are changing for competitions. Changing areas will be provided.
- 16 Dancers taking part in results ceremonies will not be permitted to go onto stage to receive any award unless in full costume and wearing **black dance shoes**.
- 17 All dancers deserve the same respect and ovation on completion of their performance. Excessive and unique verbal celebrations will not be tolerated on completion of a performance.
- 18 All cups and shields are perpetual awards. These are the responsibility of the holder for the relevant year, who is responsible for loss and any damage not previously reported. Such cups and shields must be returned in good time for the corresponding competitions next year.
- 19 With respect to team competitions, please refer to the rules in the An Coimisiún syllabus for Oireachtas Rince Na Cruinne 2024.
- 20 The NW Teachers Association have made every effort to ensure that the stages are of the correct specification in design and structure, taking into account health and safety issues. All stages are covered with Harlequin flooring. By entering the championships, competitors accept that neither the NW Teachers Association or the Bolton Stadium Hotel can't be held liable for any incident or event which could not be reasonably foreseen.
- 21 In the event of a dispute not covered by any of the rules of these championship, reference will be made to the Rules of An Coimisiún, appertaining to the issue or matter in dispute.

Performance related rules.

- 22 In all heavy dances the lead-round must be danced on both right and left feet.
- 23 Competitors will dance the following :
U6 & U7 - 40 bars in reel, single jig, light jig & Heavy Jig (all 2/3 dances must be danced) U8 & U9 - 40 bars in reel and heavy jig and Traditional Set Dance (all 3 dances must be danced).
U10 – Senior - 48 bars in the reel and heavy Jig, 40 bars in the slip jig and hornpipe
- 24 A dancer who fails to dance or complete rounds one or two of a championship will receive **ZERO** marks from all Adjudicators for that round, and will not feature in the recall. Where there is 100% recall the competitor will be allowed to dance the third round as a courtesy, but will not appear in the final result. This includes competitors who do not complete the correct amount of bars by starting either before or after the 8 bar introduction.
- 25 A competitor who fails to dance or complete the open set dance round will receive **ZERO** marks from all championship adjudicators for that round and will not appear in the final result. This includes Competitors who do not complete the correct amount of bars by starting either before or after the 8 bar introduction.

General Conduct

- 26 Your attention is drawn to the legal position with regard to smoking in public places or buildings in England. The Bolton Stadium Hotel is designated as such a public place, and smoking is therefore forbidden in all parts of the building. It is further recommended that hair spray and similar cosmetic or hygienic spray substances should not be used in the public area(s) within the venue.
- 27 In the event of unacceptable behaviour in the venue on the part of any member of the Irish dancing community, for the duration of the Championships, the Bolton Stadium Hotel management reserve the right to deal with those who are responsible in accordance with their policies appertaining to such situations. The NW Teachers will support such action with regard to unacceptable behaviour.
- 28 **By entering the British National Championships, all dancers and/or their legal guardians acknowledge and consent to the British National Championships recording, photographing, live-streaming, and/or otherwise capturing their participation during the event, including their performances. These recordings and images may be used for event coverage, promotional materials, and on the British Nationals Championships website and associated social media.**
