We support a culture where every dancer, family, teacher, and volunteer feels safe, respected and valued through creating an environment that provides dancers, regardless of age, ability, ethnicity, gender, gender identity, income, race or sexual orientation, opportunities to learn and grow as dancers and people. Registration Process

- Registration is to be done by dance school teachers or their representatives.
- All registration will be done at www.quickfeis.com
- Every dance FAMILY must have their own QuickFeis account.
 - If a family already has a QuickFeis account, please refrain from creating a new one. Doing so will increase the number of family fees owed by each family.
 - A family consists of only competitors who are legal members of the immediate family. For example, the mother, father, sons, and daughters or any legal ward of that household. Cousins, friends, anyone not legally related does not count, and they should create their own family account.
 - Teachers are encouraged to only add their legal children to their personal account as this is how QuickFeis will know to not charge them the family fee.
 - Teachers who add their dancers who are NOT legal children to their account, and then register them for the 2024 NAIDC, will be required to re-register those dancers with their own account and penalty fees and late fees will be applied.
- Any teacher that does not have a QuickFeis account will need to create one.
 - When creating a new account, you will be asked if you have a CLRG number – please say yes and then fill out ALL the fields. This will submit a request for your QuickFeis account to be upgraded to a teacher account.
 - EACH teacher must have their own individual QuickFeis account.
 - Anyone who has a current QuickFeis account but needs to have it upgraded to a TEACHER account, must log in to their QuickFeis account, and fill out the upgrade request form.
 - Teacher upgrade requests can take up to 48 hours to be processed. We encourage all teachers to ensure they have a valid and upgraded QuickFeis account as soon as possible.
 - All teachers from the same school will be able to access the NAIDC registration portal.

Age

- The QuickFeis registration system will automatically register each dancer in the competition age and gender based on the dancer's QuickFeis account profile.
- A competitor's age shall be determined as of January 1, 2024.
- All solo competitors must compete in their own age group.
- Birth certificates or similar proof of age must be produced before, during, or after a competition if requested by the NAIDC Committee or the IDTANA.
- There are provisions which permit team dancers to compete in their actual age group and/or an older age group, but NOT in a younger age group. These provisions are detailed in **General Team Registration Rules**.
- Participants in Adult competitions (solo and team) must be at least eighteen (18) years of age.
- A competitor's age shall be determined as of January 1, 2024 as per the chart below.

2024	U8	U9	U10	U11	U12	U13	U14	U15	U16	U17	U18	U19	U20	U22	O22

General Team Registration Rules

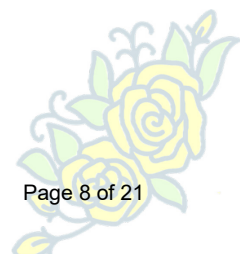

- Dancers in team competitions may compete in their own age group, or a higher age group, but may NOT compete in an age group lower than their actual age.
- Female dancers may compete in both Girls/Ladies and Mixed teams in the same age group in 8-hand ceili competitions and figure choreography competitions.
- Mixed 8-hand ceili competitions must consist of at least two (2) male dancers.
- Mixed 4-hand competitions and mixed figure choreography competitions must consist of at least one (1) male dancer.
- At least 50% of the dancers in each team must be competing in their proper age group. 25% of the dancers in each team may repeat from the immediate younger age groups but may do so only once in each category i.e., once in Girls/Ladies ceili and once in Mixed ceili. For figure competitions, no more than 50% of the female dancers in a mixed team may be repeated from a Girls/Ladies team. [IDTANA/2010]
- Dancers on a 4-hand team may not repeat on another 4-hand team nor can they compete on an 8-hand team. [IDTANA/2022]

Facility Usage Fee and Wristbands

- A daily facility usage fee of USD \$100 per person per day is required from everyone seeking to watch the dancing competitions.
- This fee will be waived for local residents that qualify for an exemption, and anyone wearing an event wristband.
- Event wristbands can be obtained by booking and staying within the NAIDC 2024 room block at the official host hotel or overflow hotels.
- There are eighteen properties within the room block, and the NAIDC 2024 committee will closely monitor inventory to ensure availability for everyone.
- Patrons MUST book a room within the room block to receive wristbands. It is not enough to stay in the hotel, having booked via other means such as through third-party agencies or by using hotel points.
- Attendees with a valid Texas ID qualify for an exemption and will purchase a daily wristband for USD \$25. Participating local dancers, CLRG members, and local children under 12 are exempt from this fee.
- A detailed outline of this procedure will be posted to www.2024naidc.com.

Program Book

- A FREE program book will be available for downloaded in PDF format on the QuickFeis website and also available on the free QuickFeis phone app.
- A printed copy of the program book can be pre-ordered for \$25 on the QuickFeis website April 1st-June 10th.
- Only the amount ordered will be printed. There will be no extra printed program books available the weekend of the event.
- Dancer numbers for the day's events will be published on QuickFeis after the judges have been sequestered.

event process

Check-In

- The check-in process will be publicized on the NAIDC website (www.2024naidc.com) in advance of the competition. All dancers for all events must adhere to the process as required.
- Dancers that have not collected their number before the first dancer or team takes the stage will not be allowed to compete.
- A dancer that has collected their number but misses their rotation will not be allowed to dance that round.

Rotations

- Dancers must follow the rotation as provided and notify the Stage Manager of any potential conflicts or emergencies BEFORE the dancer's rotation occurs.
- In the case of a medical emergency, dancers will be allowed to dance at the discretion of the Stage Manager and chairs of the event at a later time in the competition.
- HOWEVER, a dancer who is checked-in but is not present to dance at the appropriate time will be disqualified from that round. [IDTANA/2006]

Competitor Numbers

- Competitor numbers and starting numbers will not appear in the program book. Only the names of the registrants, listed in dance order, will be printed.
- Competitor numbers will be posted online and on the free QuickFeis phone app 45-60 minutes prior to the start of the competition, after adjudicators for that competition are sequestered without any access to phones, smart watches, etc. It is at this time that dancers (or someone nominated by them) may begin to collect competitor numbers.
- Competitor numbers not collected once the competition commences will be destroyed, and those dancers will not be permitted to compete.

Scoring

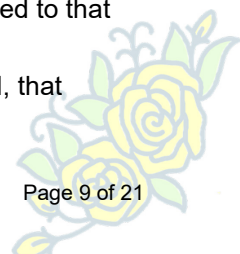

All IDTANA rules shall apply to these Championships.

- When the first two rounds of a Solo Championship (including Adult) are complete, the extended-Irish points system will be used to rank the competitors in order of merit.
- 50% of the participants will be recalled to perform a set dance in all competitions of twenty-one (21) or more dancers.
- For competitions with twenty (20) or fewer dancers, all participants will be recalled.

NOTE: A dancer must be recalled in order to perform their set dance. Any dancer who does not complete the first two (2) rounds of competition cannot be recalled to dance the third round. [IDTANA/2009]

NOTE: Any dancer who does not complete the third round of a competition will automatically receive ZERO marks for that round and will only be eligible to feature in the award ceremony as a recalled dancer. Any points allotted to that dancer from the first two rounds shall remain with that dancer. [IDTANA/2017]

NOTE: Where an adjudicator deems that a dancer failed to complete their performance in any given round, that dancer must receive ZERO marks by each adjudicator in that round. [IDTANA/2009]

The Extended Irish Points system will be utilized for all competitions.

ALL scores will be verified and signed off on by each adjudicator before any ranks are determined for each round.

Solo Competitions:

- Each round will be adjudicated by a rotating panel of five (5) adjudicators.
- Each round will be tabulated, and Irish Points will be assigned to each dancer.
- Each dancer's highest and lowest Irish points awarded will be dropped.
- Irish points will be added from round 1 and 2 and then ranked.
- If there are 21 or more dancers in the competition, the top 50% of those ranked will qualify for recall.
- The third (set) round will be calculated like round 1 and 2 (dropping high and low Irish points).
- Each dancer's Irish points from all three rounds will be added together, then dancers will be ranked to determine the winner.
 - In each round, a dancer will accumulate a maximum of 300 Irish points.
 - In each competition, a dancer may accumulate a maximum of 900 points.

Traditional Sets and Team Competitions:

- Each competition will be adjudicated by a panel of five (5) adjudicators.
- Each competition will be tabulated, and Irish Points will be assigned to each dancer or team.
- Each dancer's or team's highest and lowest Irish points awarded will be dropped.
- All Irish points for each dancer or team will be added together, and then the dancers or teams will be ranked to determine the winner.
 - In each competition, a dancer or team may accumulate a maximum of 300 Irish points.

Awards

- All dancers shall receive a participation item.
- All recalled dancers in Solo Championships (including Adults) shall receive an official IDTANA medal, which will be presented on stage at an official award ceremony. A minimum of 25% of the solo participants will also receive an event-specific award.
- For traditional set competitions with twenty (20) or fewer dancers, and in the U7 category, all participants will be awarded. For competitions of twenty-one (21) or more dancers, 50% of the participants will be awarded.
- For team competitions with five (5) or fewer teams, all participants will be awarded. For competitions of six (6) or more teams, 50% of the teams will be awarded.
- In all cases, the number of awards will be determined by the actual number of participants (not the number registered), and calculations will be rounded-up. All dancers (solo and team) must be in full costume to receive awards on stage, and all dancers are responsible for their awards following the presentation. The NAIDC 2024 Committee will not replace any lost or damaged awards.
- First-place winners in Solo Championships (including Adult) will receive a perpetual award, which requires the signing of a release form by a Parent/Guardian (or Dancer, if aged 18 or older). It is not mandatory to sign the form; however, if the form is not signed, the award will not be issued.
- Teachers' awards will be given to all 1st, 2nd, and 3rd place winners in all team competitions, and also to the teachers of 1st place solo winners. [IDTANA/2002]

Qualification For Worlds 2025:

- Qualifiers will be assessed and announced based on the actual number of North American-resident dancers that participate (not the number registered), applying the current CLRG formulas.
- Presently, there is no replacement opportunity to attend Oireachtas Rince na Cruinne when a qualified dancer from the North American Irish Dance Championships cannot attend due to judging conflicts.
- Competitors in the U8 and U9 Solo Championships, Adult Championship, and Advanced Adult Championship do not qualify for the World Championships.

General Rules

Costuming

- Current CLRG directives will be applied and enforced. Please refer to the CLRG Rule Book and website for the most current rules. (www.clrg.ie)

Carriage Aids

- Current CLRG directives will be applied and enforced, which, at the time of publication, includes a ban on using any non-medically prescribed devices.

Makeup

- Current CLRG directions will be applied and enforced, which, at the time of publication, includes a ban on makeup, false lashes, and/or facial tanner for dancers in solo and team events in the U8/U9/U10 categories. [CLRG/2014]

Mishaps

- Adjudicators will be instructed to ring a bell to stop the performance when the health and/or safety of a dancer (in solo or team events) is at risk, due to collision with another dancer, injury, or falling, and adjudicators will be instructed to use their best judgment in the case of open laces, shoes falling off, or issues with costumes/accessories. Should a dancer lose a heel or an entire shoe, they may stand at the back to allow the other dancer(s) to complete their performance, and they will be permitted to re-dance without penalty when deemed practical by the Stage Manager.
- Should, at the opinion of the Stage Manager, the NAIDC 2024 Committee, a medical professional, and/or the adjudicators, a dancer be deemed unfit to re-dance, and a dancer/parent insists on doing so, a waiver exonerating the IDTANA, the IDTANA-Southern Region, Inc., and the NAIDC 2024 Committee from any and all liability must be completed and signed by the legal parent and/or guardian of the dancer (if under the age of 18) before the dancer may re-dance. Any repeat incident which results in the dancer being unable to complete the required number of bars for that dance will result in the dancer having to withdraw from the event.
- If the judges ring the bell to stop a performance during the last eight (8) bars in Round 1 or Round 2 of a solo championship, the dancers will only be required to dance the last 16 bars of that dance. If the judges ring the bell to stop a performance during any part of an open solo set dance or traditional set dance, the dancer will perform the entire dance for their re-dance.
- Where feasible, the dancers will be brought back to re-dance no sooner than three rotations later, and no later than five rotations later. Dancers so affected by the bell being rung and permitted to re-dance will be marked at the discretion of each adjudicator.
- A competitor who exits the stage during a performance, unless instructed to do so by an adjudicator, will receive ZERO marks for that particular round by each adjudicator.

Mischief

- Any person caught damaging property (whether private property or that of a hotel/venue or the hosting organization) will be requested to leave the premises immediately and will not be permitted to attend any remaining events at these Championships.
- All parties involved will be billed for damages.
- Parents/Guardians will be fully responsible for the whereabouts and the actions of their children.
- The IDTANA, the IDTANA-Southern Region, Inc., the NAIDC 2024 Committee, and its associates, or any hotel/venue owners will not be held responsible for personal injury, property damage, theft, loss, or any claim.

Side Stage Area

- Teachers and dancers wearing clothing depicting their school's name will not be allowed side-stage at major events in North America to interact with competitors once they are in line to compete and/or to greet dancers at the other side of the stage after their performance, if they are within the line-of-sight of the adjudicators. [IDTANA/2013]

Filming/Recording

- Use of video recorders, movie cameras, camcorders, and/or any camera/cell phone that is capable of taking videos will not be permitted during competitions, except for news media as approved by the NAIDC 2024 Committee. Further, no flash photography will be permitted during competitions, other than by the official photographer and live streaming service provider.
- Please note that by submitting an entry to the event, all entrants acknowledge their agreement to abide by the live streaming rules for the event, and thereby remove the IDTANA, the IDTANA-Southern Region, Inc., the NAIDC 2024 Committee, and its associates from any liability associated with the same.
- By entering the event, dancers have opted into participating in Live Streaming during competitions and at awards. There is no option to opt out as the Region has contracted for Live Streaming for the event in its totality.

Appeals

- Legitimate complaints must be submitted to the NAIDC 2024 Committee IN WRITING AND SIGNED within one hour of the alleged incident, by a CLRG-registered individual.
- Such complaints must cite the specific rule(s) in dispute, include a brief summary of the incident, and be accompanied by a USD \$160 cash fee.
- If the appeal is upheld, the fee will be returned.

Decisions

- All decisions made by the NAIDC 2024 Committee and/or the adjudicators, in accordance with the rules for this event and all IDTANA rules, will be final.
- **The IDTANA and the IDTANA Southern Region reserve the right to refuse admission to and remove persons from our events. The NAIDC is a private event.**

Solo Championship Eligibility

- Eligibility to participate in Solo Championships (excluding the adult category) at the North American Irish Dance Championships can be achieved in one of three (3) ways:
 1. All Open Championship level dancers are automatically eligible.
 2. All U8 and U9 dancers can be registered at the discretion of their teacher.
 3. All U10 and older dancers must qualify at their regional Oireachtas. The top ten (10) dancers plus 25% of the competition at the regional Oireachtas in each category will qualify for the North American Irish Dance Championships, subject to being recalled. [IDTANA/2017]
- NOTE: Recalled dancers from the previous year are not automatically qualified. [IDTANA/2010]
- NOTE: Preliminary Championship level dancers who qualify for Open Championships and register via option 1 above MUST enter all future feiseanna as an Open Championship level dancer. [IDTANA/2006]
- NOTE: Qualified pupils of a hired adjudicator who are not eligible to participate due to a judging conflict may defer their qualification to the following year. [IDTANA/2006]

Solo Competition Splits

- Where the number of entries for a competition reaches 150 or more, it will be divided into an A split and a B split. Where the number of competitors reaches 300 or more, the competition will be divided into an A split, B split, and C split. [IDTANA/2023]
- If a national solo competition is split, World Medal Holders (WMH) at the time of the entry will be divided evenly in the splits. If there is an extra WMH, that dancer will be placed in the split with the higher number of dancers. [IDTANA/2023]

Solo Championship Competition Process

- All Solo Championships (including Adult) will commence with the hard shoe round, followed by the soft shoe round.
- Please see the **Solo Championship Competitions** for the required dances per age group.
- For U8-U15, the hard shoe round will be performed three-at-a-time. In all other age groups, including Adult, the hard shoe round will be performed two-at-a-time.
- For all age groups, the soft shoe round will be performed two-at-a-time.
- All set dances, regardless of age group, will be performed one-at-a-time.

Solo Championship Number Check

- All Solo Championship competitions (including Adult) will feature a number check either part-way through or at the end of each of the first two rounds of competition, where all dancers who have already danced that particular round will be called side-stage to appear in front of the adjudicators one more time to ensure the correct assignment of marks to each dancer.
- A number check is not required for recall rounds or team events.
- Dancers must be in costume and Irish dancing shoes.

Solo Championship Dancers 18 and Older
