Preliminary Championships in England, Scotland and Wales Effective 1st January 2021

PRELIMINARY CHAMPIONSHIPS FOR AGE GROUPS U10 TO U16 ONLY, PROVIDED THERE ARE TWO OR MORE ELIGIBLE COMPETITORS.

A minimum number of three Adjudicators must officiate.

The first age group for a Preliminary Championship is *Under 10*.

Where a Preliminary Championship is held separate from an Open Championship, three rounds should be offered, namely; Reel or Slip Jig, Heavy Jig or Hornpipe and any Set Dance.

Where a Preliminary Championship is combined with an Open Championship, then the result should be taken from eligible dancers' ranking after the *first two rounds*.

Where there are separate Preliminary and Open Championships, dancers can compete in both at the discretion of the Feis organiser.

Where a competitor wins <u>two</u> Preliminary Championships they must dance in Open Championship for a period of <u>12 months thereafter</u>.

For grading purposes, two wins will be taken as being in any two year rolling period. Where a dancer does not win a second Preliminary within two years of winning their first Preliminary Championship, then the first win will be deemed as having expired and the dancer starts afresh.

Where there are less than $\underline{6}$ in a Preliminary Championship that win will not normally be considered for grading purposes. However, where a dancer wins \underline{three} Preliminary Championships regardless of the number of competitors in each competition, that dancer must dance in Open Championship for a period of $\underline{12 months thereafter}$.

Dances performed in a Preliminary Championships do not count for grading in solo competitions.

Competitors that qualify for and compete in Oireachtas Rince na Cruinne in the previous 12 months cannot compete in a Preliminary Championship *except where the dancer auto qualified at their Regional or National Oireachtas due to lack of numbers.*

2023 BRITISH NATIONAL CHAMPIONSHIPS - RULES OF THE COMPETITION

- A dancer's age group will be determined as from 1st January 2023.
- Entries will only be accepted from dancing teachers registered with An Coimisiún Le Rinci Gaelacha for the year 2022/2023 & 2023/2024 only.
- The adjudicators' decision is final. Only members of the NW Teachers Association and those officially assisting them in the running of the championships may approach the adjudicators during competitions.
- Complaints will only be accepted from registered teachers, in writing, and must be accompanied by a fee of £50.00, which may be refunded if the North West Teachers Association upholds said objection.
- Teachers are advised that all details required on the entry forms must be completed. Entry forms received in contravention of this rule will be returned.
- All competitors must be ready to dance 30 minutes prior to the published time. They must also report to the stage stewards promptly and dance in the prescribed order. Failure to report in time to dance in order will lead to disqualification. Competitors are strongly advised to check the timetable for last-minute changes to times or halls, both leading up to the event and on the day of competition.
- 7 In all rounds, the minimum speeds of music as laid down by An Coimisiún will apply.
- The recall in solo championships will be as follows
 - * Under 6, 7, 8 & 9 100% Recall

From Under 10 upwards there will be a 50% recall if there are 21 or more dancers in a championship. * NW Teachers Association reserve the right to amend this percentage

- The onus of ensuring that the stage steward is informed of the correct name and metronomic speed of the nominated open set dance will rest with the competitor.
 - * An incorrect metronomic speed submitted for an open set dance can only be changed prior to the commencement of the open set dance round.
 - * Introduction to open set dances will be played only once and no alteration in that speed of music will be permitted.
 - * Should a competitor commence dancing to an incorrect metronomic speed submitted to the stage steward then that competitor must continue to dance at that speed as no further opportunity of tempo change will be afforded.
- In the event of a mishap on stage, e.g. a heel or shoe coming off, the dancer should retire to the back of the stage and remain there, allowing the other dancer(s) to continue with their performance. If a dancer fails to comply with this direction and leaves the stage, then he/she will be deemed to have failed to complete the round and will be eliminated from the championship
- Should a dancer fall, and the stage situation be that he/she inhibits the performance or safety of other dancers on stage, the bell <u>must</u> be rung, and the group will be permitted to dance again. If a dancer falls during the last 8 bars of their dance, they will re-dance the last 16 Bars. Otherwise the FULL dance will be re-danced.
- If a competitor sustains injury or illness during the course of a competition, and the organisers have reason to believe that such an illness or injury could be exacerbated by continued participation, he/she will be advised to retire from the competition. If this advice is ignored, then prior to continuation, the dancer (or in the case of a child or young person (5 to 17 years) an appropriate adult) will be required to sign a disclaimer form, which will be retained in the event of a possible future enquiry.
